Interior: On the ground floor you enter a beautiful hallway with a feature minstrel gallery staircase in wood and wrought iron. Amazing amount of light in this area. The downstairs has underfloor heating throughout - powered by its own gas boiler. The first floor bedrooms have central heating via a gas boiler and radiators. A living room that is full of light and yet still cosy with original stone fireplace with wood burner. Feature arched glazed windows open out onto the pool terrace giving a spacious feel to this lovely room. Stone archway leads you to a cosy dining room with plenty of cupboard storage. At this level a country-style kitchen and breakfast area, with integral door to the garage. From the stone walls and wooden beams to the beautiful hand made terracotta tiles and lovely feature staircase this finca must be seen to be fully appreciated. Bedrooms: 4. There is a guest bedroom with full bathroom/shower en-suite. On the first floor is a beautiful and very spacious master suite with modern fittings in the walk-in shower room. This room is stunning with its own dressing room, views across the open countryside and this whole property benefits from cha...
