A light, modern, traditional villa on one level with three bedrooms, full air conditioning and electric radiator heating and situated in the small village of Tormos. Sun blinds or awnings at most windows. Light modern feel but with many features of a spanish villa. A fully enclosed garden with plenty of outdoor space, pool, BBQ, double gates and three parking spaces. Wheelchair friendly. Tormos is situated near the Jalon valley and in the heart of the Orba valley. The views are breathtaking to the mountains and to the coast. It is a relaxed, almost sleepy Spanish village with all the essential ingredients for everyday life. Interior: The entrance to the villa leads directly into the enclosed naya which acts as a dining room. The lounge is equipped with air conditioning, gas fire heating, er. WiFi is also available.. Kitchen: separate kitchen with fridge freezer, gas hob and electric oven, double sink dishwasher. Plenty of storage space,. Separate utility room has washing machine, extra microwave, extra fridge, sink and exit door to garden. Bedrooms: Three bedrooms, two double and one twin, all large enough to add another bed. All bedrooms have air conditioning units, radiators...
