Pretty ground floor apartment in a small rustic plot- these apartments do not come on the market too often. The location is 2 mins walk from the lovely spanish village of liber which has all the infrastructure for permanent living or just ideal as a holiday home. Ground floor apartment in a small block with just one level above has very private entrance and pretty courtyard garden with a small shed for garden tools. BBQ and pleasant seating shaded by tall conifers giving excellent privacy. the entrance is direct into the spacious living room that has a pellet burner for heating the whole apartment. Open plan hatchway to modern newly refurbished kitchen- tastefully done with a gas hob and lots storage a very well presented kitchen maximising on the space available. Hallway to master double bedroom with fitted wardrobes and light aspect. Second bedroom with fitted wardrobes and storage cupboard above. The shower room has a modern shower and fully enclosed cabinet. The washine machine and electric water heater is housed in a utility cupboard. The communal pool is just 2 mins away and is one of the best pool complexes around- it has space for sunbathing, showers and toilets for u...
