Stunning large spacious penthouse apartment in block of 10 with views across la Sella golf course to the Mediterranean at Denia. With luxury fittings and spectacular setting on golf resort. All amenities close by: shops, chemists, restaurants. Interior: The secure entrance system allows access from the front door into the hallway which has an open plan entrance to the lounge, which has large patio doors to the sun terrace. A fully equipped kitchen houses a fridge freezer and built-in oven and microwave, with induction hob and extractor, double sink and doors at the end into a separate utility room for the boiler, washing machine/dryer and storage area for equipment. Lots of kitchen cupboards and bright light in this kitchen gives a spacious feel to the whole area. The 3rd bedroom has been turned into a extra seating dining room by the current owners but could be returned to a bedroom very easily. The corridor from the lounge separates the 2nd double bedroom and further bathroom. The heating is underfloor electric throughout. Each room can be controlled separately. The air conditioning in every room is ducted and is also controlled room by room. Bedrooms: 3, but the 3rd has been...
